I. Electrical Engineering

Concise Syllabus

Electrical Engineering Basic Concepts, Circuit law, Magnetic Circuit, AC Fundamentals, Measurement and Measuring Instruments, Electrical Machines, Single Phase Induction Motors, Synchronous Machines, Generation, Transmission and Distribution, Estimation and Costing, Utilization and Electrical Energy, Basic Electronics

Complete Syllabus :

Basic concepts : Concepts of resistance, inductance, capacitance and various factors affecting them. Concepts of current, voltage, power, energy and their units.

Circuit law : Kirchhoff's law, Simple Circuit solution using network theorems.

Magnetic Circuit : Concepts of flux, mmf, reluctance, Different kinds of magnetic materials, Magnetic calculations for conductors of different configuration e.g straight, circular, solenoidal, etc, Electromagnetic induction, self and mutual induction. AC

Fundamentals : Instantaneous, peak, R.M.S. and average values of alternating waves, Representation of sinusoidal wave form, simple series and parallel AC Circuits consisting of R.L. and C, Resonance, Tank Circuit.

Poly-Phase system - star and delta connection, 3 phase power, DC and sinusoidal response of R-Land R-C circuit.

Measurement and measuring instruments : Measurement of power (1 phase and 3 phase, both active and re-active) and energy, 2 wattmeter method of 3 phase power measurement. Measurement of frequency and phase angle. Ammeter and voltmeter (both moving oil and moving iron type), extension of range wattmeter, Multimeters, Megger, Energy meter AC Bridges. CT, PT and their uses. Earth Fault detection.

Electrical Machines :

(a) **D.C Machine** : Construction, Basic Principles of D.C. motors and generators, their characteristics, speed control and starting of D.C. Motors. Losses and efficiency of D.C. Machines.

(b) **1-phase transformer** : Construction, Principles of operation, equivalent circuit, voltage regulation, O.C. and S.C Tests, Losses and efficiency. Effect of voltage, frequency and wave form on losses. Parallel operation of 1 - phase transformers. Introduction to poly-phase transformer. Auto transformers.

(c) **3-Phase induction motors** : Rotating magnetic field, the principle of operation, equivalent circuit, torque-speed characteristics, starting and speed control of 3-phase induction motors.

(d) **Single Phase Induction Motors** : Operation, classification, characteristics and applications.

(e) **Synchronous Machines** : Generation of 3-phase e.m.f armature reaction, voltage regulation, parallel operation of two alternators and synchronizing. Starting and applications of synchronous motors.

Generation, Transmission and Distribution : Different types of power stations, load factor, diversity factor, demand factor, cost of generation, inter-connection of power stations. Power factor improvement, various types of tariffs types of faults, short circuit current for symmetrical faults. Switchgears -rating of circuit breakers, Principles of arc extinction by oil and air, H.R.C. Fuses, Protection against earth leakage/ over current. Lightning arresters, various transmission and distribution system, comparison of conductor materials, efficiency of different system. Cable - Different type of cables, cable rating and derating factor.

Estimation and costing : Estimation of lighting scheme, electric installation of machines and relevant IE rules. Earthing practices and IE Rules.

Utilization of Electrical Energy: Illumination, Electric heating, Electric welding, Electroplating.

Basic Electronics : Working of various electronic device e.g P N Junction diodes, Transistors (NPN and PNP type), BJT and SCR. Simple circuits using these devices. Brief idea about universal logic gates.

II. Mechanical Engineering**PART - I****1. Principles of Mechanical Engineering :**

Study of hand tools for workshop practice, machine components, Limits, fits and tolerances. Transmission Systems: belt, chain, rope and gear devices. Process equipments like compressors, blowers and fans. Automobiles and their components and auxiliary systems. Practice on welding, automobile maintenance and dismantling and assembly of machine components.

2. Applied Mechanics :

Fundamental assumptions in mechanics of rigid bodies, like continuum and particle. Vector quantities in mechanics, force and moment. Static and dynamic equilibrium, Free body diagram, Analysis of simple structures by method of joints and method of sections. Analysis of systems with friction, Limiting friction and angle of repose, self-locking of nut. Moment quantities associated with Areas, transfer theorems, theorem on area and volume of solids of revolution. Relationship of Force, moment, torque, work and power in linear and rotational motion. Virtual work. Motion of projectile. Uniform circular motion. Combined motion of rotation and translation, central force motion, motion of satellite, unbalance in rotating masses. Power transmission through shaft, belt and gear drives.

3. Basics of Hydraulics :

Properties of liquid, Newton's law of viscosity, hydraulic pressure and its measurement, flow of liquids: steady, unsteady, laminar and turbulent flows, Bernoulli's equations, orifice, mouthpiece and nozzles, flow through pipes, fundamental of channel flow, dimensional analysis.

4. Hydraulic Machinery :

Flow measurements: different types of pumps, reciprocating and rotary pumps, operation and maintenance of pumps, characteristic curves of pumps, efficiency of pump, different types of turbines: Francis, Kaplan and Pelton turbines operation and maintenance of turbines, flow through turbines, characteristic curves, work done and efficiency of turbines.

5. Machine Drawing - II

Engineering curves - involute and cycloid. Drawing of various circles on the gear and the teeth profile, standard teeth system ratios, gear box. Drawing and proportions of various lathe and milling machine components. Drawing of miscellaneous machine parts of pumps, internal combustion engines and compressors. Drawing symbols for machine components.

6. Fundamentals of Mechanical Engineering :

Basic energy conversion process. Introduction to thermodynamics, types of systems, thermodynamic equilibrium, properties, state, process and cycle, significance and conceptual interpretation of zeroth, first and second laws of thermodynamics, Kelvin-Planck and Clausius statements. Constructional details and operation of steam power systems - boiler, steam engine and steam turbine. Constructional details and operation of internal combustion engines - 2 stroke and 4 stroke cycle, diesel and petrol engines. Power transmission devices - belt and pulley, rope and pulley, shafts and axels, gears. Material handling and hoisting mechanisms, crane and lift. Mechanical joining of sheets and plates, Gusset geometry. Cold and hot riveting, caulking. Welding, basic gas and spark welding processes, precautions and safety in welding, post welds treatment.

7. Materials and Material Science :

Engineering materials, testing of engineering materials, classification of materials of industrial importance and their chemical, thermal, electrical, magnetic, mechanical and technological properties, their selection criteria for use in industry, manufacturing properties, structure of materials, alloys and phase diagram of iron.

PART - II**1. Basic of mechanical Engineering :**

Introduction to Thermodynamics, Types of Systems, Thermodynamic Equilibrium, Properties, State, Process and Cycle, Elementary introduction to Zeroth, First and Second laws of thermodynamics, Heat and Work Interactions for various non-flow and flow processes: concept of Heat Engine, Heat Pump & Refrigerator, Efficiency/COP; Kelvin-Planck and Clausius Statements, Carnot cycle, Carnot efficiency, T-S and P-V Diagrams, Concepts of Entropy. Modes of Heat Transfer; Conduction: Composite Walls and Cylinders, Overall Heat Transfer Co-efficient. Engineering Materials, Classification and their Properties; Metal Casting, Moulding, Patterns, Metal Working: Hot Working and Cold Working, Metal Forming: Extrusion, Forging, Rolling, Drawing, Gas Welding, Arc Welding, Soldering and Brazing. Lathe Machine and types, Lathe Operations, Milling Machine and types, Milling Operations, Shaper and Planer Machines: Differences, Quick-return Motion Mechanism, Drilling Machine: Operations, Grinding Machine: Operations.

2. Manufacturing Processes :

Fundamentals of metal cutting, calculations of cutting forces and tool life, general purpose machine tools and their operations, Newer and advanced machining processes like EDM, ECM and CNC machines, casting and moulding process, sheet metal forming and press works.

3. Thermal Engineering :

Properties of Steam: Concepts of liquid, vapour, wet and superheat region, critical point, saturated liquid, saturated vapour, saturation temperature, sensible heat, latent heat, dryness fraction, degree of superheat; Determination of enthalpy, entropy of wet, dry and superheated steam at a given pressure using steam tables and Mollier chart. Steam Generators - introduction and classification, fire tube and water tube boiler, mountings and accessories of boiler. Classification of steam turbines; impulse and reaction turbines; Expression for work done, axial thrust, tangential thrust, blade and diagram efficiency, stage efficiency, nozzle efficiency; Compounding of turbine. Components and working of IC engine, its classification, 2 stroke and 4 stroke engines, SI and CI engine, carburetion and fuel injection system, cooling system of IC engines, multi-cylinder engines, performance parameters of IC engine indicated and brake power, brake mean effective pressures, engines efficiencies, heat balance. Otto, Diesel and dual cycle. Closed and open gas turbine cycles, analysis of Brayton cycles, machine efficiencies, optimum pressure ratio for maximum cycle output and thermal efficiency, gas turbine cycle with regeneration, inter cooling and reheating. Working principles with constructional details of reciprocating compressor, equation of shaft work (with and without clearance volume), isothermal and adiabatic efficiency, p-v diagram, volumetric efficiency, multistage reciprocating air compressor intercooler.

4. Refrigeration and Air Conditioning :

Need of refrigeration, principles of refrigeration through different method such as ice, dry ice, evaporation, Concept of reversed Carnot cycle, heat engine, heat pump and refrigerator. Unit of refrigeration, C.O.P. and refrigerating effect. Construction, working and thermodynamic cycle of air refrigeration system and vapour compression refrigeration system. Classification of refrigerants, nomenclature of refrigerants, properties of refrigerants. Need of air conditioning properties of air such as specific humidity, relative humidity, wet and dry bulb temperature etc psychrometric chart and its use, psychrometric process such as sensible heating, sensible cooling, humidification, etc., concept of bypass factor, apparatus dew point temperature, sensible heat factor, adiabatic mixing. Factors affecting human comfort, effective temp. and comfort chart. Types of air conditioning systems such as commercial systems, summer, winter and year round systems, central and unitary air conditioning systems.

5. Power Plant Engineering :

Components, fuels, combustion, ash handling, cooling towers, feed water treatment of steam power plants. Construction and working of diesel and gas turbine power plants. Principles of power generation by nuclear reaction, fuels for nuclear power plants, components of nuclear reactor, types of nuclear reactor, nuclear plants of India. Hydro-electric power plant types, components of hydro power plants. Principles of non-conventional power plants, such as wind power plants, solar thermal and solar photovoltaic power plants. Site selection and economics of power plants, criterion of site selection of different types of power plant.

III. Computer Engineering**PART - I**

- Digital Electronics :** Number system and code. Boolean algebra and logics, Gates, Families of logic circuits, Combinational circuit and sequential circuits architecture, Latches and flip-flops, Counters, Shift register, operation of asynchronous and synchronous counters, Introduction to digital IC Gates (of TTL Type).
- Introduction to C and C++ programming :** Overview of C: Variables, constants, data types, expressions, operators, decision making, looping, functions and structures. Object oriented programming (OOP) features, Implementation of Classes and objects in C++: Arrays within class, member functions, concept of constructor and destructors and its uses. Use of this pointer. Overloading of constructors, functions and operators. Friend classes and friend functions. Inheritance: Types, Base Pointers, Derived Pointers, Virtual Function. Abstract classes.
- Data structure : Representation of array elements :** Row and column major order, Multidimensional array and their application, link lists, Implementation of stack and queue and their applications, Types of Queues-DeQueue, Circular Queue, Applications of Queues-Round Robin Algorithm. Trees: binary tree, binary search tree, heap tree. Graphs and their traversals; BFS, DFS, Shortest path, Minimum spanning tree. Hash Tables. Sorting and Searching; Linear search, Binary search, hashing, Insertion sort, Bubble sort, selection sort, merge sort and quick sort. Basics of algorithm design: asymptotic notations.
- Database Management system :** Database management system (DBMS) architecture. data models, ER model and Enhanced ER model, Relational algebra, Structured Query Language (SQL), Relational Database design: Functional Dependencies, Multivalued dependencies, Join dependencies, Normalization, Normal Forms, Transaction processing: Properties of a transaction, Concurrency control techniques, Recovery techniques, Indexing techniques, Stable storage implementation methods, Query processing: Evaluation of relational algebra expressions, Query optimization, Database security and integrity.

PART - II

1. **Computer network** : Introduction to computer networks; Network Models- OSI Reference Model, TCP/ IP Model, Transmission Media - principles, issues and examples; Wired Media - Coaxial, UTP, STP, Fiber Optic Cable; Wireless Media- HF, VHF, UHF, Microwave, Ku Band; Network topologies; Data Link Layer - design issues, example protocols (Ethernet, WLAN, Bluetooth); Switching Techniques; Network Layer - design issues, example protocols (IPv4); Routing - principles/issues, algorithms (Distance-vector, Link-state) and protocols (RIP, OSPF); Transport Layer-design issues, example protocols (TCP); Application Layer Protocols (SMTP, DNS), Functioning of Network Devices - NIC, Hub, Switch, Router, WiFi Devices; Network Management System and example protocol (SNMP). Introduction to Firewalls and Intrusion Detection Systems.
2. **Operating system** : Operating system and functions, Process concepts: CPU scheduling, Inter-Process Communication, Process Synchronization, Critical Section Problem and Solutions, Deadlock concepts: Deadlock conditions, Deadlock handling methods, Memory management concepts: Logical address vs. Physical address, Contiguous memory allocation, Non-contiguous memory allocation, Virtual Memory, Page replacement techniques, Kernel memory allocation, Secondary storage management concepts: File operation and protection, Disk scheduling, Disk allocation methods, Directory structure, and I/O management.
3. **Computer Organization** : Stored program concept - Von Neumann architecture (definition only), Functional units, Bus structures; Fixed & Floating point numbers Number Representation: Sign magnitude, 1's complement, 2's complement forms, various Arithmetic operation (with signed magnitude & floating point numbers); Different CPU registers: Programmer accessible & non - accessible, Operational concept of computer (fetching & storing word & execution of a instruction), Classification memories: Main memory, Secondary memory, Cache memories, Virtual memories, architecture of ROM, Types of ROM, RAM (SRAM, DRAM), Memory decoding, Hard Disk (Sectors, Tracks & Cylinders, Accessing mechanisms, Storage capacity), Memory hierarchy considering size, speed, cost; Input output Interface: Need for I/O interface, I/O bus and interface, I/O commands, Example of I/O interface, Asynchronous data transfer: strobe control, handshaking, Modes of transfer: Programmed I/O, Interrupt initiated I/O-vector interrupt, non-vector interrupt, Priority interrupt, Interrupt controller, DMA - DMA controller, DMA transfer, I/O Processor: CPU-IO Processor communication, Serial communication.
4. **Microprocessor 8085/8086** : Internal architecture of 8085 microprocessor, bus organization, instruction set and format of 8085, addressing modes, assembly language programming, interfacing concept of memory and I/O devices, introduction to intel 8086.
5. **Computer Troubleshooting and Maintenance** : Troubleshooting process of computer peripherals; processor, memory, motherboard, chipset, interfaces. Various diagnostic tools, computer preventive maintenance.

IV. Electronics and Telecommunication Engineering**PART - I****Fundamental of Electrical and Electronics Components :**

Electronics Components : Active and Passive components, Resistors, Capacitors, Inductors, Diodes, Transistors, FET, MOS, Power diode Thyristor

Electric and Magnetics Materials : Choke and reactors, electromagnetic and electrostatic shielding, Insulating materials, Electricals, thermal and mechanical properties of various insulators-air, transformer oil, SF₆, PVC, bitumens etc. EMF, Current, Potential Difference, Power and Energy; M.M.F, magnetic force, permeability, hysteresis loop, BH curve.

Fundamental of Electronics and Measurements :

Electronics Devices and circuit : Semiconductor and Diodes, Bipolar Junction Transistor (BJT), Field Effect Transistors, Rectifiers, voltage regulators, amplifiers, oscillators, inverting and non inverting amplifier using OPAMP.

Instruments : System of units of measurements, standards, working principle of Ammeter and voltmeter, ohmmeters.

Digital Electronics System :

Number Systems & Boolean Algebra, Logic Gates, simplification of logic gates concepts. Combinational Logic Circuits, Arithmetic circuits, Encoder, Decoder, Multiplexer, Demultiplexer etc, Sequential circuits: Flip Flop, counter register.

Logic Families, A to D and D to A converters, ALU and its operations, Microprocessor, 8085 Architecture, Introduction to organization of computer, peripherals.

Fundamental of Networks, Filters and Transmission Lines :

Network and Network Theorem : Superposition Theorem, Thevenin Theorem, Norton Theorem

Maximum Power Transfer theorem Reciprocity Theorem.

One port and two port network, balanced and unbalanced active and passive T-pie, Lattice Ladder. Filter: Brief idea of their use and types and characteristics. Simple design problem. Transmission lines and analysis.

PART - II**Instrumentation and Measurement :**

Basics of Measurements and Bridges, Potentiometer, Measuring Instruments, PMMC, MI, Electro Dynamo Type Instruments Single Phase Energy Meter, Electronics Instrument, Oscilloscope, and its uses. Transducer, Electronic motor control, servomechanism.

Trouble shooting of Electronic System :

Electronics component and systems-Symbols, identification of terminals, ratings and limitations, types of troubles cause and effects of troubles.

Circuit Assembly : type of printed circuit boards, precautions in handling discrete and ICs Testing of Semiconductors Devices: Types of Semiconductor devices, Types of Failure Test procedures for Diodes, Bipolar Junction Transistors, Field Effect Transistors. Rework and Repair of Surface Mount Assemblies Surface Mount Technology and surface mount devices Surface mount Semiconductor packages.

Technical Manuals : Understanding technical and operating manuals.

Consumer Electronics :

Audio System : Characteristics of sound signal, Microphone, Speaker, Audio Players, PA system.

TV systems : Monochrome and colour television basics and transmission standards, Television Receivers- PAL-D colour TV receivers, Digital TVs: LCD LED

Communication Engineering :

Analog Communication : type of signals and representations, Modulation technique-amplitude modulation, Frequency modulation and phase modulations.

Digital communications : sampling theorem, quantization, digital modulation techniques- delta modulations, ASK, PSK, FSK and error corrections.

Data communications : Introduction to data communication, Network architecture, Basics of OSI and TCP/IP reference models.

NOTIFICATION

The 12th January, 2024

No. DPL-11014(11)/1/2021.— In exercise of the powers conferred by the proviso to article 309 of the Constitution of India, the Governor of Arunachal Pradesh is pleased to make the following rules further to amend the **Director of Public Libraries Recruitment Rules, 1996** namely :

1. **Short title and commencement : (1)** These rules may be called the General Arunachal Service **Director of Public Libraries Recruitment (Amendment) Rules, 2023**.
2. They shall come into force on the date of their publication in the Arunachal Pradesh Gazette.
2. **Amendment: In Director of Public Libraries principal Recruitment Rule, 1996,-**

In column No. 11 for the existing entries, the entries “**promotion from the post of Deputy Director of Public Libraries having minimum 10 years regular service in the Grade, failing which the promotion from the post of Deputy Director with 5 years of regular service in the grade and 5 years of regular service from the grade of Assistant Director of Public Libraries**, Shall be substituted.

(Note : The total combine length of minimum service shall 10 years i.e 5 years regular service in the grade of Deputy Director of Public Libraries and another 5 years regular service in the grade of Assistant Director of Public Libraries).

Tai Kaye, IAS
Secretary (Cultural Affairs),
Government of Arunachal Pradesh,
Itanagar.

NOTE : The principal rules were published in the Gazette of Arunachal Pradesh vide Department of Public Libraries Notification **No. CLB-50/93 dated-27th June, 1996** and subsequently amended vide Notification No. DPL-11014(11)/1/2021 date 18th October, 2021 Published in the Gazette of Arunachal Pradesh.

PART - I

Appointments, promotions, powers and personal notices issued by the Governor.

NOTIFICATION

The 24th November, 2023

No. HOME-12041/1/2022.— The Governor of Arunachal Pradesh is pleased to appoint/engage following Advocates in exercise of powers conferred under Section 24 (8) Cr. PC, 1973 as Special Public Prosecutor for attending cases under the provision of NDPS Act, 1985 in the Special NDPS Court of the State with immediate effect.

| Sl. No. | Name of Advocate | Court |
|---------|---|---|
| 1. | Shri Jumbam Jini | District and Sessions Court, Yupia |
| 2. | (a) Shri Kameno Dellang (b) Shri Otel Pertin | District and Sessions Court, Tezu |
| 3. | Shri Taber Tamuk | District and Sessions Court, Pasighat |
| 4. | Shri Tanyang Tado | District and Sessions Court, Ziro |
| 5. | Shri Gorik Kamduk | (a) District and Sessions Court, District and Sessions Court, Aalo (b) Addl. District and Sessions Court, Basar. |
| 6. | Shri Khamo Desisow | District and Sessions Court, Bomdila |

The fees shall be paid as per the Government Notification No. LLJ-13015(12)/1/2022 dated 3rd May, 2023.

Kaling Tayeng, IAS
Principal Secretary (Home),
Government of Arunachal Pradesh,
Itanagar.

| Sl. No. | Name of Officer | Date of Birth | Educational Qualification | Date of Joining on deputation as AE in ULBs | Date of absorption |
|---------|-----------------|---------------|---------------------------|---|--------------------|
| 1. | Er. Tech Yami | 02.02.1984 | B.Tech (Civil) | 09.01.2014 | 17.01.2024 |
| 2. | Er. Tech Juna | 11.11.1984 | DCE | 14.10.2016 | 17.01.2024 |

The inter-se seniority list of above Officers shall be fixed alongwith existing Assistant Engineers of the Department later on.

The expenditure is debitable to the Head of Account - 2217 (UD), (Non-Plan), Code - No. 01-03-001-01-00-01- Salaries, Demand No. 68.

The other terms and conditions of service which are not specified herenin shall be governed by the relevant rules and regulation of the Government of Arunachal Pradesh amended and circulated from time to time.

This has the specific approval of Competent Authority.

Vivek Pandey, IAS
Commissioner (ULBs),
Government of Arunachal Pradesh
Itanagar.

ORDER

The 22nd January, 2024

No. PERS-15//2/2023(E-161057)/21.— On basis of the recommendation of the Departmental Promotion Committee Meeting (DPC) held on 17th January, 2024 the Governor of Arunachal Pradesh is pleased to order promotion of **Shri Sangyal Tsering Bappu**, Additional Secretary (Law, Legislative and Justice) to the post of Secretary (Law and Legislative) Group “A” Gazetted, Level - 13A, of Pay Matrix ₹ 1,31,100-2,16,600+1,000 (Special Pay) Pm plus other allowances as admissible as per rules in force from time to time.

2. Other terms and conditions of the services which are not specified herein shall be governed by the rules and orders of the State/Central Government as applicable from time to time.

Dharmendra, IAS
Chief Secretary,
Government of Arunachal Pradesh,
Itanagar.

NOTIFICATION

The 24th January, 2024

No. PD(EM)06/2015/1148.— It is hereby notified for general information that Shri Akepi Linggi Ehili, Deputy Director (State Plan) of Planning and Investment Department, Government of Arunachal Pradesh, has changed his name from **Shri Akepi Linggi Ehili to Dr. Akepi Linggi Ehili** as per Degree of Doctor of Philosophy Certificate No. 0013245 dated 30th November, 2023 issued from Rajiv Gandhi University, Rono Hills, Itanagar, Arunachal Pradesh.

Henceforth, he will be known as **Dr. Akepi Linggi Ehili Repeat Dr. Akepi Linggi Ehili** in place of Shri Akepi Linggi Ehili for all purposes.

S.K. Sharma, IAS
Secretary (Planning & Investment),
Government of Arunachal Pradesh,
Itanagar.

ORDER

The 29th January, 2024

No. PERS-13/30/2022(E-81194)/45.—Consequent upon attaining the age of superannuation the Governor of Arunachal Pradesh is pleased to order release of Shri Sangyal Tsering Bappu, Secretary (Law and Legislative) from the Government Service with effect from **29th February, 2024 (A/N)** in accordance with FR - 56.

Dharmendra, IAS
Chief Secretary,
Government of Arunachal Pradesh,
Itanagar.

ORDER

The 29th January, 2024

No. PERS-11011/6/2021(Pt.)/55.—The Governor of Arunachal Pradesh is pleased to order relieving of Shri Onit Panyang, I.A.S (AGMU-2004), Commissioner (Law and Judicial/Parliamentary Affairs), and Divisional Commissioner (East) Government of Arunachal Pradesh, Itanagar from Government service with effect from **29th February, 2024** on attaining the age of superannuation.

Dharmendra, IAS
Chief Secretary,
Government of Arunachal Pradesh,
Itanagar.

FINAL SENIORITY LIST OF ASSISTANT ENGINEER

NOTIFICATION

The 30th January, 2024

No. SUDH/13/2023-SUDH-UDH/490.—The Provisional Inter-se-Seniority list of Assistant Engineers of Urban Local Bodies was circulated to all concerned vide Notification No. SUDH/13/2023-SUDH-UDH/152 dated 9th May, 2023 inviting their claims and objections, if any and submit the same within a period of one month.

In response to the above mentioned Notification, the Assistant Engineers of Urban Loacal Bodies (ULBs) have submitted a representation communicating that they have no claims and objection against the provisional Inter-se-Seniority list of Assistant Engineers circulated to them.

Now, therefore, the final Inter-se-seniority list of Assistant Engineers of the Department of Urban Local Bodies is hereby published for circulation to all concerned as indicated against each name :

| Sl. No. | Name of Officer | Date of Birth | Educational qualification | Date of appointment as EO (RE)/JE | Date of promotion as APO (RE)/AE | Date of joining in the present Department with post | APST/ Non APST |
|---------|--------------------|---------------|---------------------------|-----------------------------------|----------------------------------|---|----------------|
| 1. | Shri Yumlam Take | 10.09.1970 | Diploma | 19.01.1996 | 26.05.1999 | 05.08.2016 | APST |
| 2. | Shri Kipa Gagung | 02.05.1978 | B. Tech (Civil) | 04.04.1997 | 24.07.2006 | 05.08.2016 | APST |
| 3. | Shri Bamang Sanjay | 28.08.1986 | B. Tech (Civil) | 01.03.2009 | 07.08.2020 | 05.08.2016 | APST |

No further representation on this final seniority list shall be entertained in future.

Pawan Kumar Sain, IAS,
Commissioner (ULBs),
Government of Arunachal Pradesh,
Itanagar.

ORDER

The 30th January, 2024

No. PERS-13038/2/2021/61.— In the interest of public service, the Governor of Arunachal Pradesh is pleased to order Shri Kani Boko, Under Secretary (Home), to hold the additional charge of Arunachal Pradesh State Human Rights Commission with immediate effect and until further order.

Dharmendra, IAS
Chief Secretary,
Government of Arunachal Pradesh,
Itanagar.

ORDER

The 31st January, 2024

 - "Licensee" under these guidelines means any person holding a license issued under sub-section (1) of Section 4 of the Act or an Infrastructure Provider-I registration issued by the (DoT).
 - "Para" means the Para of these guidelines.
 - "Local Body" means Urban Local Bodies like Municipal Corporation, Municipal Council or Municipal Board in an Urban area declared under the relevant law/administrative order of the State Government, Gram Panchayat (GP) and Village Council Development Committee (VCDC) for Rural areas under the relevant law/administrative order of the State Government.
 - "OFC" means optical fibre cable;
 - "Rules" means the Indian Telegraph Right of Way Rules, 2016
 - "HLMC" means the High Level Monitoring Committee as formed under this order/guidelines.
 - "TERM Cell" means Telecom Enforcement, Resource and Monitoring Cell of the Department of Telecommunication (DoT), Government of India;
 - "Telecom Service Provider" (TSP) means and includes a person, firm, association of persons or company who is duly licensed by the DoT under section 4 of the Indian Telegraph Act, 1885 for providing inter alia mobile phone services, internet and data transfer services etc.

- (n) Telegraph Infrastructure includes,-
- (i) Telecommunication Cell Site or Base Station (TCS/BS) or Telecom Tower or Mobile Tower, a place for tower, delta, single pole antenna, microwave antenna, telecom transceiver machinery, related civil works, requisite cable, power supply equipment, Diesel Generator set, cabin or cupboard for housing any or all of the aforesaid items is necessary.
 - (ii) Ground based tower (GBT), ground based mast/monopole (GBM), roof top tower (RTT), roof top pole (RTP).
 - (iii) Cell Phone Tower (CPT), Micro cell tower (MCT), antenna fixtures, fabricated antenna, tower to install telephone lines and Wi-Fi antenna,
 - (iv) Pre-fabricated or masonry structure shelters or installation of Base Transceiver Station (BTS) and other equipment.
 - (v) Cell-on-Wheels for duration >60 days
 - (vi) Cabling on the poles or electric poles.
 - (vii) Telegraph line laid under the ground and includes manholes, marker stones, appliances and apparatus for the purposes of establishment or maintenance of the telegraph line:
- Provided further that any temporary infrastructure for managing events/festivals/fairs of short duration (maximum 60 days) or to give coverage to blank areas, shall not be included in Telegraph Infrastructure for the purpose of these guidelines and no formal permission is required for installation of such temporary infrastructure.
- (o) "SACFA" means Standing Advisory Committee on Frequency Allocation (SACFA) of the DoT.
 - (p) "Appellate Authority" means Secretary to the Government of Arunachal Pradesh, Department of IT and Communication as specified by Gazette Notification issued by DoT, 19th June, 2017.
 - (q) "Land Owning Agency" is the concerned Dept/Private entity that owns the land or building or pole or tower etc for which any kind of permission requires to be granted.
 - (r) "Schedule" means a Schedule appended to these guidelines.

 - (t) "Pole" means any above-ground contrivance of height not exceeding 8 (eight) meters for carrying, suspending or supporting a telegraph and does not include mobile tower.
 - (u) "Small Cell" means a low powered cellular radio access node that has a coverage of distance from 10 (ten) meters to 2 (two) kilometers.
 - (v) "Street furniture" means post or pole used for electricity, street light, traffic light, traffic sign, bus stop, tram stop, taxi stand, public lavatory, memorial, public sculpture, utility pole or any other structure or contrivance of such nature established over the property of an appropriate authority.

3. Nodal Officer for the appropriate authority :

Under sub rule (1) of rule 4, the Deputy Commissioner of the District shall be the Nodal officer for the purpose of these guidelines. He/She shall be responsible for granting the permit in his/ her respective district.

4. Terms and conditions for granting permission to establish over-ground telegraph infrastructure :

(a) Mobile Towers :

- (i) The Radiation norms fixed by DoT have to be strictly followed by the licensee. Any citizen can approach the TERM Cell with regard to grievance on any issue relating to radiation.
- (ii) Sign boards and Warning Signs ("Danger", "Warning", "Caution" etc.) as per guidelines of DoT shall be provided at towers and antenna sites which are clearly visible and identifiable.
- (iii) The licensee shall be permitted to erect/install telegraph infrastructure on open land including private/Government land, land and buildings of Government or Government owned/controlled statutory or non-Statutory institutions/bodies or at other public/private locations including roads, parks, playgrounds, schools, colleges, hospitals, land earmarked for public utilities.
- (iv) In the walled city area or in the area of Heritage importance the Pole/Mast shall be designed keeping in view the Heritage character of the area as defined by competent authority.
- (v) Installation of non-telecom over-ground infrastructure shall not be permitted on the right of way granted region for underground telecom infrastructure.
- (vi) The licensee shall be granted permission to install micro cells/Wi-Fi access points and other required services on street light poles/bus shelters/government buildings.

- (vii) The licensee shall install and fix the equipment such as power back-up as per the standard norms of State Pollution Control Board in the earmarked boundary adjacent to mobile tower/post.
- (viii) The structural stability of the towers/posts and building in which it is erected, shall be ensured by the licensee and the towers/posts and their foundations shall be designed accordingly. He shall be solely responsible for any mishap, if it takes during or after erection of towers.
- (ix) The permission shall not be withheld due to outstanding urban development tax or any other dues payable upon the land and building applied for installation of telegraph infrastructure. But the Nodal Officer shall communicate such tax or dues to the licensee and the Owner of the land and building and if an undertaking is submitted by the Owner for depositing the outstanding urban development tax or any other dues, as the case may be, then Nodal Officer shall grant the provisional permission for a period of 60 days within which the owner shall have clear all pending Government dues.
- (x) Mobile towers/posts being a temporary structure and essential service in nature can be installed on any type of land/building regardless of its specified land use and shall not require change of land use under any law.
- (xi) However, certain reasonable restrictions on distance from residential areas, location of tower etc can be imposed by Nodal Officer in view of concerns related public safety, Health & Hazard.
- (xii) The area of the overground telegraph infrastructure (mobile tower) proposed to be established shall be the area occupied by the mobile tower and the supporting infrastructures, such as base transceiver station, engine alternator, etc. at the ground.

(b) Overground OFC infrastructure :

- (i) The licensee shall be permitted to lay Overhead OFC along Electrical Poles along open land including private/Government land or Government owned/controlled statutory or non-Statutory institutions/bodies or at other public/private locations including roads, parks, playgrounds, schools, colleges, hospitals, land earmarked for public utilities.
- (ii) The licensee shall liaise with Department of Power, Government of Arunachal Pradesh for Overhead OFC plans along Electrical Poles.
- (iii) The licensee shall be solely responsible for any mishap, if it takes during or after laying of Overhead OFC along Electrical Poles.
- (iv) Comprehensive Permission shall be provided to the Implementing Agencies laying OFC to lay Cables on all the electrical poles in the state-owned electricity lines including permission to install additional poles to prevent sagging of the OFC, provided any requirement for strengthening of the existing poles shall be borne by the DoT through the implementing agencies. However, in doing so, it shall be the responsibility of the DoT (Implementing Agencies), the supply of power is not affected and the power infrastructure is not damaged.
- (v) Establishment of temporary overground telegraph infrastructure:

In case of damage of any existing underground telegraph infrastructure for any reason, the licensee, whose existing underground telegraph infrastructure is damaged, may temporarily establish the overground telegraph infrastructure, in lieu of the damaged underground telegraph infrastructure, to restore the telegraph service for the period of sixty days from the date of reporting of damage of the infrastructure to the appropriate authority. No fee or compensation shall be charged by the appropriate authority for the establishment of temporary overground telegraph infrastructure.

C. Usage of street furniture for installation of small cells and telegraph line

- (i) A licensee shall for the purpose of installation of small cell and telegraph line submit an application, along with details of street furniture and a copy of certification by a structural engineer authorized by appropriate authority, attesting to the structural safety of the street furniture where installation of small cells and telegraph line is proposed to be deployed, to the appropriate authority for permissions to use street furniture for installation of small cells and telegraph line.
- (ii) The application submitted under sub rule (i), shall be accompanied with such fees as may be determined by the appropriate authority to meet administrative expenses for examination of the application, which shall not exceed the amount specified in Part-I of the Schedule.
- (iii) The appropriate authority shall, within a period not exceeding 60 (sixty) days from the date of application made, grant permission or reject the application for reasons to be recorded in writing:

Provided that no application shall be rejected unless the applicant has been given an opportunity of being heard on the reasons for such rejection;

Provided further that the permission shall be deemed to have been granted if the appropriate authority fails to either grant permission or reject the application.

- (iv) The appropriate authority shall be entitled to receive such compensation from the licensee, not exceeding the amount specified in Part-III of the Schedule, for use of street furniture for installation of small cells and telegraph line, as may be determined by the appropriate authority.
- (v) The appropriate central authority may permit installation of small cells on their buildings and structures.
- (vi) For the purpose of sub rule (v), the "appropriate central authority" means the Central Government or the authority, body, company or institution, incorporated or established by the Central Government, in respect of property, under, over, along, across, in or upon which underground or overground telegraph infrastructure, is to be established or maintained, vested in, or under, the control or management of such Government, authority, body, company or institutions.
- (vii) The licensee shall have the option of submitting single application for multiple sites and appropriate authority shall make due provisions for accepting such applications and issuing single permission for multiple sites accordingly for establishment of small cells.
- (viii) The appropriate central authorities shall permit deployment of small cells and shall charge no administrative fees or compensation for deployment of small cells on buildings and structures vested in or under their control as per Part-I or Part-III of the Schedule:

Provided that the charges shall be levied for power (as per Industry tariffs), fixtures etc. provided by building owners as per actuals and licensee shall restore the damage done during deployment of small cells".

d. Establishment of telegraph infrastructure over private property

Where the licensee proposes the establishment of overground telegraph infrastructure over any private property, the licensee shall not require any permissions from the appropriate authority.

Provided that in case of establishment of mobile tower or pole over a private building or structure, the licensee shall submit an intimation, in writing, to the appropriate authority, prior to commencement of such establishment.

Provided further that along with intimation, he shall also submit the details of the building or structure, where the establishment of mobile tower or pole is proposed, and a copy of certification by a structural engineer, authorized by the appropriate authority, attesting to the structural safety of the building or structure, where the mobile tower or pole is proposed to be established.

5. Terms and conditions for granting permission to lay underground telegraph infrastructure (OFC):

- (i) The licensee shall obtain necessary permission for laying optical fiber cable (OFC) network/underground telegraph infrastructure and taking fiber to home under roads and overhead from the Nodal Officer of concerned appropriate authority;
- (ii) The work shall be started from the outer areas of the city and then to the core area;
- (iii) Damages of roads and filling up of pits caused during the laying of underground telegraph infrastructure and taking fiber to home shall be repaired by the concerned local body and the entire expenses, for restoration of damaged road portion shall be charged by the local body from the licensee. Charges for such expenses shall be fixed by the State Government from time to time, on the basis of applicable schedule of rates for works for similar nature. The Basic Schedule of Rate (BSR) and guidelines issued by the Public Works Department (PWD), Government of Arunachal Pradesh shall be followed for calculating the restoration charges. Such charges shall be deposited in the advance in the form of valid applicable financial instrument/digital payment mode within period of 30 days from the date of grant of the permission and prior to the commencement of work of laying the underground telegraph infrastructure. An amount equal to restoration charges, as security shall be taken (in lieu of expenses for restoration) prior to the commencement of such work in the form of a Bank Guarantee valid for one year if the licensee has undertaken to discharge the responsibility of restoration of damaged road portion. The period can be extended based on the requirement:

Provided that no other charges, (except above-mentioned restoration charges and relevant administrative charges prescribed in Part-II of the Schedule shall be levied on the licensee.

- (iv) Laying OFC through Micro:- Trenching Method shall be allowed during monsoons, provided that the applicant takes all security measures and makes arrangements for immediate restoration of the damage caused.
- (v) Supervision of the work :
 - (a) The Nodal Officer, or any officer authorized by the appropriate authority, may supervise the execution of work to ascertain if the conditions imposed under the rules and these guidelines are observed by the licensee;
 - (b) The Nodal Officer may, on the basis of such supervision, impose such other reasonable conditions as it may think fit; including maintaining proper distance/depth of the laid OFC

- (c) If the Nodal Officer comes to the conclusion that the licensee has wilfully violated any of the conditions, he/she may forfeit, in full or in part, the bank guarantee submitted by the licensee and withdraw the permission, for reasons to be recorded in writing :
- Provided that no action shall be taken under this clause unless the licensee has been given a reasonable opportunity of being heard.
- (d) Bank Guarantee shall not be released to the Licensee till the road asset is not restored to original state
- (e) Only pits of approximate size 1.5mtr.x1.5mtr.x1.5mtr. depth or as per requirement at site shall be excavated in the roads where optical fiber cables are to be laid, at a distance of not less than 100 meter. The pits shall be refilled only with granular material and shall be compacted as per the specifications. The pits/trenches shall be reinstated within 48 hours, repeat shall be reinstated within 48 hours, after the work at that location is over, failing which, penalty as applicable as per the guidelines for trenching activities shall be applicable besides the cancellation of permission etc.
- (vi) Number of ducts under the roads for which permission shall be granted as per requirement of the licensee.
- (vii) The licensee shall ensure provision of positional intelligence, through appropriate technology, of all underground telegraph infrastructures to enable the Land Owning Agency and Nodal Officer to obtain real time information on its location.
- (viii) The licensee shall carry out Ground Penetrating Radar (GPR) survey wherever necessary along the route where the ducts shall be laid for detection of existing utilities. The data of utilities collected by the licensee through GPR survey should be unconditionally shared with land owning body and the Nodal Officer, free of cost.
- (ix) Where Horizontal Directional Drilling technology is used for establishing underground telegraph lines restoration charges shall be levied for pits only provided no damage has been caused to any utilities. However, no damage shall be caused to any underground utilities while laying the ducts by using Horizontal Directional Drilling (HDD) methodology. In case any utility is damaged, the damage so caused to the utilities, shall be rectified by the licensee at his own cost.
- (x) Ducting Methodology :
- (a) Ducts shall be laid as per DoT mentioned specifications.
- (b) The area of the underground telegraph infrastructure proposed to be established shall be the length of duct multiplied by the diameter of the duct multiplied by the number of ducts.
- Explanation.- "Duct" means a pipe, permanently lubricated or of any other kind, used as underground cable conduit for telegraph line.
- (c) The appropriate authority shall be entitled to receive such compensation from the licensee, not exceeding the amount specified in Part-III of the Schedule, for the use of the property under which the underground telegraph infrastructure is proposed to be established, as may be determined by the appropriate authority.
- (xi) The cost of shifting conduits/OFC, wherever required, shall be borne by the licensee and instructions of Local Body in this respect shall be complied within the time frame fixed by the concerned Local Body.
- (xii) Land Owning Agency shall not be responsible for any damage to OFC and resultant losses, if any, due to any act of employee of Governments or Land Owning Agency, while performing official duties. However, prior written intimation shall be given by the Land Owning Agency to the licensee. In case local body executes the work and causes enough damage which may disrupt the service, then local body shall be liable to pay the penalty to the licensee due to physical damage only as determined by the State Public Works Department.
- (xiii) The licensee shall make proper arrangement for access control of the chambers to avoid misuse/illegal use of ducts and the chambers.
- (xiv) For laying overhead OFC from fiber to home network it shall be permitted to erect poles on specified locations on roads over the ground area not more than 1 meter X 1 meter. The spacing between two poles should not be less than 50 meters in line of the sight.
- (xv) The licensee shall ensure that,-
- (a) Prior to the commencement of work of laying the optical fiber and at all times during the execution of the work, the measures to mitigate public inconvenience and provisions for public safety are implemented;
- (b) Structural safety of over-ground infrastructure are implemented; and
- (c) The work of laying OFC/telegraph infrastructure is carried out in accordance with the conditions specified under the rules and these guidelines.

6. Terms and conditions for granting permission to lay Overhead telegraph infrastructure (OFC) :

- (i) The licensee shall obtain necessary permission for laying optical fiber cable (OFC) network/Overhead telegraph infrastructure and taking fiber to home along Electrical Poles from the Nodal Officer of concerned appropriate authority;
- (ii) The work shall be started from the outer areas of the city and then to the core area;
- (iii) Damages of roads or poles caused during the laying of Overhead telegraph infrastructure and taking fiber to home shall be repaired by the concerned local body/Land Owning Agency and the entire expenses, for restoration of damaged road or Power Infrastructure shall be charged by the local body/Land Owning Agency from the licensee. Charges for such expenses shall be fixed by the State Government from time to time, on the basis of applicable schedule of rates for works for similar nature. The Basic Schedule of Rate (BSR) and guidelines issued by the Public Works Department (PWD)/Power Department, Government of Arunachal Pradesh shall be followed for calculating the restoration charges. Such charges shall be deposited in the advance in the form of valid applicable financial instrument/digital payment mode within period of 30 days from the date of grant of the permission and prior to the commencement of work of laying the Overhead telegraph infrastructure. An amount equal to restoration charges, as security shall be taken (in lieu of expenses for restoration) prior to the commencement of such work in the form of a Bank Guarantee valid for one year if the licensee has undertaken to discharge the responsibility of restoration of damaged road or Power Infrastructure. The period can be extended based on the requirement:

Provided that no other charges, (except above-mentioned restoration charges for immovable property, restoration charges in case of establishment of poles for installation of small cells and telegraph lines and relevant administrative charges as prescribed in Part-II of the Schedule shall be levied on the licensee.

- (iv) Laying Overhead OFC along Electrical Poles:-Power Distribution network of the State from Power Department, Government of Arunachal Pradesh should be the point of reference for all planning of Overhead OFC laying work in the State.
- (v) Supervision of the work:-
 - (a) The Nodal Officer, or any officer authorized by the appropriate authority, may supervise the execution of work to ascertain if the conditions imposed under the rules and these guidelines are observed by the licensee;
 - (b) The Nodal Officer may, on the basis of such supervision, impose such other reasonable conditions as it may think fit; including maintaining proper distance of the laid OFC
 - (c) If the Nodal Officer comes to the conclusion that the licensee has wilfully violated any of the conditions, he/she may forfeit, in full or in part, the bank guarantee submitted by the licensee and withdraw the permission, for reasons to be recorded in writing :

Provided that no action shall be taken under this clause unless the licensee has been given a reasonable opportunity of being heard.

- (d) Electrical Poles, if unusable/damaged for Overhead cable laying, can be replaced by the licensee with prior permission from Power Department and intimation to Department of IT and C.
- (e) In case of damages caused while carrying out Overhead OFC work, the infrastructure shall be reinstated within 48 hours, failing which, penalty as applicable as determined by the SLMC Overhead OFC laying activities shall be applicable besides cancellation of permission etc.
- (vi) No damage shall be caused to any overground utilities. In case any utility is damaged, the damage so caused to the utilities, shall be rectified by the licensee at his own cost.
- (vii) For laying overhead OFC from fiber to home network it shall be permitted to erect poles on specified locations on roads over the ground area not more than 1 meter XI meter. The spacing between two poles should not be less than 50 meters in line of the sight.
- (viii) The licensee shall ensure that,-
 - (a) Prior to the commencement of work of laying the optical fiber and at all times during the execution of the work, the measures to mitigate public inconvenience and provisions for public safety are implemented;
 - (b) Structural safety of over-ground infrastructure is implemented; and
 - (c) The work of laying OFC/telegraph infrastructure is carried out in accordance with the conditions specified under the rules and these guidelines.

7. Application for permission :

- (1) Application (in duplicate) for **permission for establishment of over-ground telegraph infrastructure** or for its renewal shall be submitted to the Nodal Officer in the Form-1 along-with following documents.-
 - (i) A copy of relevant license/IP-I registration certificate issued by the Department of Telecommunications. It needs to be submitted only once per licensee to a particular Nodal Officer defined under rule 3 of these guidelines.
 - (ii) Location map from any publicly available source (scale 1:1000) showing the site with its latitude-longitude. Licensee shall share all new and existing GIS map of OFC routes and towers with the Department of IT and Communication and DTC.
 - (iii) The detailed technical design and drawings of the tower/post or other above ground infrastructure including the specification of foundation. In case the tower/ post etc. is within 100 meter aerial distance of high or low tension line, then its distance from the same shall be clearly indicated in the drawings.
 - (iv) Copy of Structural Stability Certificate for the building and tower/post obtained from any authorized Structural Engineer, or/from recognized institute or a Structural Engineer registered or employed in Central or State Government Service or a Quasi- Government Organization or any other agencies authorized from time to time by the State Government.
 - (v) Copy of No-objection Certificate issued by the Fire Safety Department in case of high rise buildings where fire clearance is mandatory.
 - (vi) Copy of SACFA clearance/copy of SACFA application for the said location submitted to Wireless Planning and Coordination (WPC) wing of DoT with registration number as WPC acknowledgement along with undertaking that in case of any objection/rejection, licensee shall take corrective actions/remove the tower.

(**Note :** the copy can be submitted to the Nodal Officer as soon as the location is finalized and the tower is installed).
 - (vii) For Forest/Protected Areas, the copy of clearance from State Environment and Forest Department, if applicable.
 - (viii) Acknowledgement receipt issued by TERM Cell on the basis of self-certificate submitted by licensee in respect of mobile tower/Base Transceiver. Station (BTS) establishing/certifying that all general public areas around the tower shall be within safe Electro Magnetic Radiation (EMR) exposure limit as per peak traffic measurement after the antennas starts radiating.

(**Note:** It can be submitted within 30 days after radiating the tower).
 - (ix) Copy of the type test certificate issued by Automotive Research Association of India (ARAI) to the manufactures of the DG sets.
 - (x) Ownership title document of the building/site needs to be submitted. (Self attested copies). However, production of Patta/approved map should not be insisted upon but in specific cases such documents if required then same needs to be submitted.
 - (xi) Attested copy of Lease Agreement Deed/Consent Letter, signed by the applicant and the owner of the site/building.
 - (xii) The Nodal Officer/Land Owning Agency may also seek the copy of No Objection Certificate (NOC)/ Consent Letter from building owners/entities/societies having roof top rights in case of roof based tower or from land owner in case of ground based tower.
 - (xiii) In case the permission is sought in the land/premises of any office of Central Government or a PSU of Central Government, the prior written consent or copy of agreement from the authority having legitimate right over the land/premises shall be attached with the application.
- (2) Application for **permission to lay underground telegraph infrastructure or taking fiber to home in the right of way** shall be submitted to the Nodal Officer in Form-2 along-with following documents,-
 - (i) a copy of relevant license/IP-I registration certificate issued by the Department of Telecommunications. It needs to be submitted only once per licensee/IP.
 - (ii) the location map showing the proposed underground telegraph infrastructure including route planned, exact latitude and longitude, nature of land
 - (iii) the copy of consent of the owner of land/building where the OFC/telegraph infrastructure proposed to be laid;
 - (iv) certificate by a structural engineer (as mentioned in Para 5 (1) (iv)) attesting to the structural safety of building where the post or other above-ground contrivances is proposed to be established on a building;

- (v) the detailed technical design and drawings of the post or other above-ground contrivances (in case of over-ground cabling);
- (vi) the copy of approval issued by the DoT for locations of the above-ground contrivances proposed to be used for the transmission of Radio waves or Hertzian waves (in case of over-ground cabling);
- (vii) For Forest/Protected Areas, the copy of clearance from State Environment and Forest Department, if applicable.

(Note : NOC of Forest Department would not be required in areas not covered under Forest/Protected Areas.)

- (3) The licensee shall submit a copy of receipt in proof of the payment of application fee and other charges as prescribed under the Schedule of these guidelines.
- (4) The licensee shall furnish such other relevant information as may be required by the Nodal Officer or as the State Government may direct.
- (5) The licensee may also submit the soft copy of the application along with all the forms, statements and documents.
- (6) Application, if the licensee desires, may be submitted On-line in cases of such appropriate authorities, wherever they have proper arrangements for this purpose till the time Department of IT and Communication come up with a common on-line platform for the State for receipt/processing of application. Department of IT and Communication shall develop the same within -3 months from the date of notification of these guidelines.
- (7) In cases where applications for permission for establishment of telegraph infrastructure has been submitted under erstwhile Order/s of the State Government for new as well as existing telegraph infrastructure but permission has not been issued, then in such cases, there would be no need to submit fresh application. However, any documents required under these guidelines, but not submitted earlier, shall be submitted along-with the fee/charges under these guidelines. The Nodal Officer shall issue the permission in accordance with these guidelines. The fees/charges paid earlier shall be adjusted and such pending application should be disposed of within 30 days from the deposit of remaining fee/charges and submission of remaining documents. In case the fees paid is excess the same shall be refunded to the applicant. 13. Guidelines for installations of in-building solutions (IBS) in Government Buildings :

The in-building systems may be set-up in buildings to obtain good coverage and capacity to the mobile network inside the building by ensuring that the signals don't have to penetrate thick walls. The infrastructure required to be installed requires extensive wiring in building which could be internal or external based on the aesthetical requirement of the owner. This solution is beneficial to the mobile users as well as mobile operators as it reduces the load of the mobile towers and gives coverage to the mobile users. In this regard, following guidelines shall be followed.

- (1) Identification/selection of Government buildings for in-building solution would be done by the concerned department and request for installing IBS can be communicated to the Telecom Service Provider who in-turn shall conduct a survey to see the possibility of installing IBS in the said premises/building. The survey shall be verified by an engineer from Public Works Department who is member of the District Level Monitoring Committee.
- (2) The permission for setting such a facility would be given by the concerned Head of department of the building and issue enabling order to allow such installations. In view of requirement of exterior/interior wiring for in-building solution, the line plan should be got approved by the maintenance agency for electrical services for the said building. The service provider would also look into the security considerations of the Government offices.

14. Tenure of permission and renewal :

- (1) The permission accorded shall be valid from the date of its issuance and it shall be limited up to the periods of permission/license granted by the DoT. The licensee shall submit application for renewal of permission to the Nodal Officer at least sixty official working days before the expiry of the permission along with all the documents as required for new permission. The Nodal Officer shall renew the permission after charging fee and other charges as prescribed under the Schedule.
- (2) The Nodal Officer shall renew the permission up to the period of the permission/license granted to the licensee by the DoT under the Indian Telegraph Act, 1885.
- (3) The Nodal Officer shall dispose of renewal application within fifteen official working days. If application for renewal is submitted in time, the operation of the Mobile Tower etc. shall not be discontinued for any delay in disposal of application for clearance by the Nodal Officer.

15. Regularization of existing mobile towers :

- (1) Wherever permission has already been granted under erstwhile policy/orders, the same shall hold good and no fresh permission shall be required under these guidelines. The tenure of permission so granted shall be from the date of its issuance and it shall also be limited up to the period of permission/ license granted by the DoT
- (2) For all the existing mobile towers where application has been already submitted, shall be regularized by Nodal Officers on the basis of application and documents already submitted. Earlier fees paid, if any, by the licensee shall be adjusted as per the new guidelines which shall also taken into consideration the payments already made and under process with various local authorities. In case the permission has not been granted in 30 days from the date of commencement of this policy, the Licensee shall re-approach the local body on which local body is required to revert in next 15 days, else the application shall be considered deemed to be approved post 15th day.
- (3) For all the existing mobile towers etc. wherein formal permission has not been issued by the Nodal Officer and application not submitted, shall be regularized upon submission of application in Form-6 along with information and documents as specified therein and after the payment of prescribed fee/charges under these guidelines. Such application shall be submitted within six months of issue of these guidelines, after which they said mobile towers etc. shall be deemed as unauthorized. Once the application is submitted within due time, the operation of the Mobile Tower shall not be discontinued till disposal of the application by the Nodal Officer or till the disposal of appeal (if any) filed in time with Appellate Authority, whichever is later. In case the permission has not been granted in 30 days, the Licensee shall re-approach the local body after the 30th day from the submission of the complete application on which local body required to revert in next 15 days, else the application shall be considered deemed to be approved post 15th day.
- (4) Telecom Installations are critical communication infrastructure for seamless mobile and internet services to the citizens. In order to avoid disruption in mobile/internet communication, an essential service, sealing of existing and operational base transceiver station towers or any interruption to internet service by disconnection of electricity of such tower or any equipments/accessories installed for internet transmission may not be resorted to without the consent of the respective TERM Cell in respect of the EMF radiation related issues.

16. Construction/ repair works by various utility service providers of State/ Central authorities :

The agencies of various utility service providers extending services such as electricity (DISCOMs), water supply pipes, gas pipes, sewerage, RoW works (PWD/NHAI) etc. while undertaking new construction/ repair works in specific alignment to optical fibre cable (OFC) shall intimate to concerned Nodal Officer and Land Owning Agency and also to concerned TSP/IP providers well in advance not less than 15 official working days before the start of work so as to give sufficient time to TSP/IP to make plans for shifting of OFC/alternate rout in order to avoid disruption in mobile/internet services. As the TSP/IP are providing/ supporting Telecom services the power disconnection to telecom installations on account of any planned repair/maintenance activity shall not be done without prior notice to the concerned TSP/IP at least 15 days in advance.

17. Seizure and removal of unauthorized telegraph infrastructure :

- (1) If any person, after the issuance of these guidelines, installs or continues to install any tower or any other telegraph infrastructure without obtaining the prior permission and depositing the prescribed fee and charges then in such cases power/electricity connections shall not be provided. The Nodal Officer, through Local Body and Land Owning Agency, may seize and remove such tower and the expenses incurred by the Local Body and Land Owning Agency for such removal or seizure shall be recovered from the licensee/person concerned :

Provided that before seizure or removal of tower etc. the Nodal Officer shall afford an opportunity of hearing to the concerned person/licensee by giving at least thirty days' notice to him.

- (2) In case any Telecommunication system has been seized or removed under this Para, intimation shall be sent immediately to Department of IT and C and to the TERM Cell of DoT in the State. TERM cell, Arunachal Pradesh office shall update details of their designated officials with the Department of IT and Communication from time to time.

18. Right of authorities to seek removal :

- (1) Where the State Government or local body or Land Owning Agency or the Nodal Officer, having regard to circumstances which have arisen since the installation of any telecom tower or the establishment of any underground or over-ground OFC/telegraph infrastructure under, over, along across, in or upon any immoveable property vested in or under the control or management of the State Government or the local body or the appropriate authority, that is necessary and expedient to remove or alter such telecom tower or OFC/telegraph infrastructure, the Nodal Officer shall issue a notice to the applicant (licensee), being the owner of such telecom tower or OFC/telegraph infrastructure, to remove or alter its location.

- (2) On receipt of the notice under sub-Para (1), the applicant (licensee) shall, forthwith and within a period of thirty days, proceed to submit, to the Nodal Officer, a detailed plan for removal or alteration of such telecom tower or OFC/telegraph infrastructure.
- (3) The Nodal Officer shall, after examination of the detailed plan submitted by the applicant (licensee) under sub-Para (2), pass such orders as it deems fit:

Provided that the Nodal Officer shall, having regard to emergent and expedient circumstances requiring the removal or alteration of such telecom tower or OFC/telegraph infrastructure, provide reasonable time to the applicant (licensee) for removal or alteration of such telecom tower or OFC/telegraph infrastructure:

- (i) The Tiger Force Assistant Conservator of Forests in-charge of the STPF and other personnel would work under the overall control and supervision of the Field Director of a Tiger Reserve. The administrative and operational command would be under the control of the Field Director of the tiger reserve. The NTCA, through the Centrally Sponsored Scheme of Project Tiger would pay the deployment charges to the State Government or reimburse such costs relating to STPF, on the line of India Reserve Battalion.
- (ii) Only during an emergency situation, the Ministry of Environment, Forest and climate Change, Government of India would have the authority to ask the State for deployment of the STPF companies from one reserve /area to another within the same State using the first right of call. Otherwise, the STPF would be under the overall administrative control of the State Authorities. The Government of India will also have full authority to ask the State Government to make the companies available for deployment elsewhere in other tiger reserves within the State, or in sensitive inter-state border areas for tiger protection. It will also have the right to decide the number of companies to be posted in each tiger reserve.
- (iii) In Arunachal Pradesh, the force would be in overall command and control of the Principal Chief Conservator of Forest (Wildlife & Biodiversity) and Chief Wildlife Warden. The day to day administrative and operational control of the Force would rest with the Field Director of the Tiger Reserve. The deployment of a section or a platoon thereof will, however, be decided by the Chief Wildlife Warden in consultation with the Field Director of the concerned Tiger Reserve. The Force Would be deployed in different forest areas of the Tiger Reserve, check gates, offices based on the exigencies of the situation and operational requirements pertaining to protection of forests and wildlife. It would also assist the forest officers in carrying out eviction of encroachments from the notified protected areas. However, it would not be engaged for law-and-order work under the civil administration unless required in the event of extreme urgency/ emergency and only after approval of the NTCA.
- (iv) As the STPF has to carry out sensitive operations, it would be equipped with the advanced weapons as per guidelines of the NTCA. - (i) The recruitment for the STPF would be the done through Arunachal Pradesh Staff Selection Board (APSSB) for Group-C posts and Arunachal Pradesh Public Service Commission (APPSC) for Group - A and Group - B posts in consultation with the Arunachal Pradesh Environment, Forest and Climate Change Department, subject to the educational qualifications and physical standards prescribed as per rule. The age limit is fixed as per the RR of Forest Guard to be adapted for the recruitment of Special Tiger Guards of STPF. The age limit for direct recruitment of Special Tiger Guards is fixed between 18 to 32 years, relaxable 5 (Five) years for APST as per provisions of the existing RR. The direct recruitment process will continue on regular basis as per the vacancies arises in STPF.After attaining the age of 40 years, the STPF Special Tiger Guards will be transferred out of STPF to the normal functioning duties as Forest Guard against the existing vacancies of direct recruitment of regular Forest Guards in the EF&CC Department (on priority basis by anticipating and planning such arrangements well in advance by the department). Such transferred Special Tiger Guards posts will be counted as vacancy in STPF Special Tiger Guards of that respective Tiger Reserve. The Special Tiger Guards after getting transferred from STPF to the normal functioning of the Department, they shall be entitled for all the benefits of normal regular Forest Guards of the Department including promotions (the recruitment seniority will be kept intact throughout the service period).
- (ii) Recruitment to the posts of Special Tiger Guards of the STPF companies would be done through direct recruitment as per the existing RR of the Forest Guard in the Department, while the STPF Assistant Conservator of Forests and the STPF Range Forest Officers would be posted to the Force from the Environment, Forest Department and Climate Change department of the State on their own pay scale without any extra remuneration and the STPF created posts of ACF & RFO would be added to the already existing posts of the department and recruited as per the existing RR of the respective posts.

- (iii) The Assistant Conservator of Forests and the Range Officers would be selected from the State Cadre to the STPF through a Selection Committee comprising of State Government officials and representatives from the Police and Paramilitary Forces to ensure required physical standards, aptitude and age below 40 years. The RFO and Special Tiger Guards will wear the uniform as per their entitlements in the existing uniform code of the department (Special Tiger Guards will be treated as Forest Guards for all such purposes). The ACF shall also wear the uniform in the Force which is equivalent in the rank of Deputy Superintendent of Police (Dy. SP) in the Police Department of the State.
- (iv) On attainment of the age of 40 years, STPF personnel would be transferred to other units of the State Forest Department. The State Government would concur to transfer the STPF personnel in the regular establishment of Environment, Forest and Climate Change department after such personnel attain the age of 40 years for posting in any area within the said department, other than tiger reserves.
- (v) In all, there would be 108 Special Tiger Guards in a company, who would be equivalent to the rank of a regular Forest Guard in the Environment, Forest and Climate Change department and recruited without compromising the physical standards. The appointment of all personnel would be done by the State Government as per existing rules and procedures. The STPF would be recognized as a separate cadre with due identity having professional competence through specialized training.

7. Legal immunity to STPF for discharging the official mandate :

- (i) The STPF personnel, being forest officers, will have powers as conferred to them by law.
- (ii) The State Government would confer powers to the STPF personnel under sub-section (3) of Section 197 of the Code of Criminal Procedure, 1973 (2 of 1974), and all powers enabling it in that behalf, the power to use fire arms to combat tiger poaching and related offence within the tiger habitat, through a notification. In this context, sub-section (2) of Section 197 of the Code of Criminal Procedure, 1973 (2 of 1974) would be made applicable to all personnel of the STPF.
- (iv) Whenever, firing is resorted to by the STPF personnel, each such incident shall be enquired into by the Executive Magistrate ; any proceeding, including instituting a criminal case or arrest can be initiated only if it is held, as a result of the Magisterial Enquiry, that the use of fire arms has been unnecessary, unwarranted and excessive and only after such report has been accepted by the Government after due examination.

8. Training :

- (i) The STPF personnel would receive special training from the State Police Department as well as the Paramilitary Forces, based on a special syllabus for skill development, combating poaching and enabling intelligence-based enforcement in a forest terrain.
- (ii) The training of the STPF would be on the pattern of a special syllabus of basic training which would include wildlife crime control and wildlife management, as prescribed by the Ministry of Environment, Forest and Climate Change through NTCA, in consultation with the Ministry of Home Affairs.
- (iii) A Special Capsule Course at the Wildlife Institute of India and the State Police Academy would be organized for the Assistant Conservator of Forests and the Range Forest Officers to impart the necessary skills relating to the STPF.
- (iv) A specialized commando training (including physical fitness) would be designed with the help of State Police and National Security Guard for the STPF personnel.
- (v) Arrangements would be made for regular physical training of STPF in collaboration with suitable agencies.
- (vi) Specialized trainings would be provided in enforcement procedures by noted agencies including international visits if the need arises.
- (vii) The STPF would be given a special identity by prescribing a special uniform to enable recognition.
- (viii) The training cost incurred by the State in the context of STPF would be supported under the Training component of the ongoing Centrally Sponsored Scheme of Project Tiger (need-based).

9. Deployment of STPF :

The STPF would be deployed in Tiger Reserves of Arunachal Pradesh.

10. Financial implications :

- (i) The initial funding support for raising, arming and deploying the STPF would be provided from the one-time grant given to the Project Tiger / National Tiger Conservation Authority (NTCA), and would be supported subsequently in an ongoing manner through 90% central assistance from the ongoing Centrally Sponsored Scheme of Project Tiger and remaining 10% from the Arunachal Pradesh State Government.

- (ii) The abstract of the cost details relating to salary, procurement of vehicles, arms and ammunition, infrastructure, the detailed cost estimation as per the NTCA standing guidelines are provided in the **Annexures-I (A) to I (F)**.
- (iii) The MoEF and CC will bear 90% of the total expenditure (Recurring and Non-recurring)and the Arunachal Pradesh State Government will bear the remaining 10% of the total cost initially for a period of 5 years to set up STPF and its maintenance. The same will continue beyond 5 years as per the agreed terms and conditions of the MoU with the 90:10 ratio of funding by Government of India and Government of Arunachal Pradesh respectively.
- (iv) Further, the cost estimates are only indicative as per the present guidelines of NTCA, the same is subjected to be revised as per the cost escalation and introduction of new guideline.

- (4) Adequate space shall be available for fitment of utilities like transformers, Low Tension or High-Tension panels with safety or protective devices, Gen sets, Air Compressor, Uninterrupted Power Source, watercoolers, fire protection and firefighting system of adequate capacity and test lane area shall be provided with adequate ventilation and fume extraction system.
- (5) An automated testing station shall have adequate space for parking and free movement of vehicles brought for testing and necessary cyber security certifications shall be provided for the Information technology Systems for safe access to the VAHAN data base as applicable.
- (6) Testing equipment and Information technology infrastructure shall be as per rule190.
- (7) The premises where the automated testing station is to be housed shall either be owned or taken on lease or hired by the owner for a period not less than ten years.

179. **Manpower Requirement :**

- (1) The minimum requirement of manpower shall be as per the following table, namely : -

Table - B

| Sl. No. | Designation | Minimum manpower requirement | Minimum Qualification |
|---------|---|--------------------------------------|---|
| 1 | 2 | 3 | 4 |
| 1. | Centre Head/Manager | 1 | Graduate in Automobile or Mechanical or Electrical or Electronic Engineering with at least ten years of professional experience which includes at least five years of experience in vehicle inspection, manufacturing or repair and shall have thorough knowledge of the Act and the rules made thereunder, especially the chapters relating to registration of motor vehicles and construction, equipment and maintenance of motor vehicles. |
| 2. | Information technology in-charge/System Analyst | 1 (upto 2 Lanes) 2 (upto 4 lanes) | Master of Computer Application or Bachelor of Engineering or Bachelor of Technology in Computer Science or Information technology or Electronics and Communication Engineering with at least three years of experience in Hardware, software and Networking from any recognized organization or institutions. |
| 3. | Data Entry Operator | 2 | Any Graduation Degree or Diploma in Computer Application with basic computer knowledge. |
| 4. | Driver (Light Motor Vehicle/ Heavy Motor Vehicle) | 2 per lane per shift | Driving license with minimum five years of driving experience (Light Motor Vehicle or Heavy Motor Vehicle). |
| 5. | Lane in-charge/ Supervisor | 1 per lane per shift | Industrial Training Institute Diploma in Motor Mechanics or Diploma in Mechanical or automobile or electrical stream with minimum three years of experience in automobile repair and Maintenance from any recognized organization or institutions. |
| 6. | Lane Operator | 2 per lane per shift | Industrial Training Institute Diploma in Motor Mechanics or Electrical or Computer stream with minimum two years of experience in automobile repair and maintenance from any recognized organization or institutions. |
| 7. | Maintenance Technician | 1 per lane per shift | Industrial Training Institute Diploma in Air Conditioning and Refrigeration or Industrial Training Institute. Electrician or Diploma in Mechanical or Electrical, with minimum two years of experience in electrical Maintenance from any recognized organization or institutions. |

- (2) The automated testing station shall ensure compliance of all laws for the time being in force, including labour laws as applicable.

180. Validity and renewal of Registration :

- (1) A Preliminary Registration Certificate shall be valid for the period of setting up or construction or establishment of the automated testing station, which shall be mutually agreed between the State Government and the owner or operator and specified in the Preliminary Registration Certificate.
- (2) A Registration Certificate shall be valid for a period of ten years from the date of issuance and its subsequent renewal shall be valid for a period of ten years from the date of renewal and an application for renewal of registration may be made three months before the expiry of the period of such registration.
- (3) The Preliminary Registration Certificate and Registration Certificate shall not be transferable.
- (4) Where the Preliminary Registration Certificate or Registration Certificate is lost or destroyed, the holder of such certificate shall intimate the facts to the registering authority which has granted or renewed the certificate and shall apply for a duplicate certificate under sub-rule (5) in Form 65 intimating the reasons thereof.
- (5) An application for issuance of duplicate Preliminary Registration Certificate or Registration Certificate shall be made in Form 65, along with appropriate fee, as specified in rule 188.
- (6) The registering authority may issue a duplicate certificate in Form 61 or Form 62, as the case may be, with clearly marked word "DUPLICATE" on top right corner.
- (7) The duplicate certificate shall be immediately surrendered to the registering authority if the original is traced out or found at a future date.

181. Testing Process and Procedure :

- (1) The appointment for fitness test at any automated testing station shall be booked electronically, through the electronic portal, by the Central Government within six months from the date of notification of the Central Motor Vehicles (Twenty First Amendment) Rules, 2021, on depositing the fee as specified in rule 81, electronically or such other manner as may be laid down by the Central Government and the vehicle owner shall get the refund of the fee deposited on cancelling the appointments for the fitness test.
- (2) Until the electronic portal referred to in sub-rule (1) is developed, the bookings for fitness tests shall be done either manually or through the electronic portal of the State or Union territory Governments.
- (3) The following documents and information shall be uploaded or entered as applicable at the time of booking a slot for fitness test at an automated testing station, namely : -

Registration Certificate of Vehicle, along with Form 25, wherever applicable.

- (ii) valid Insurance Certificate.
- (iii) last valid Permit, wherever applicable.
- (iv) mobile number and email ID of the registered owner or authorized signatory.
- (4) The other details related to the vehicle, not limited to the following, shall be fetched automatically from the VAHAN data base, namely : -
 - (i) Chassis Number.
 - (ii) Engine number.
 - (iii) Fuel.
 - (iv) Vehicle Class.
 - (v) Vehicle Category.
 - (vi) Make and Model.
 - (vii) Gross Vehicle Weight (GVW);
 - (viii) Month and Year of Manufacture; and
 - (ix) Speed Governor Serial Number, wherever applicable.
- (5) The list of tests to be conducted along with the reference standards shall be as per rule 189, as applicable from time to time.
- (6) The data generation, processing and storage shall be done in a manner so as to ensure that : -
 - (i) The data base is stored in a data management software platform to enable easy exchange and analysis of data with other platforms ;
 - (ii) All automated test results shall be automatically transmitted from the testing equipment to a central server installed in the automated testing station and visual checks data, including photographs, shall also be transferred on the same server ;
 - (iii) the fitness criteria for pass or fail shall be automatic and in accordance with rule 190 of this chapter.
 - (iv)
 - (a) display of testing station in a test lane shall not indicate any test result ;
 - (b) all test results shall be masked on the test lane with encrypted test data ;
 - (c) the test report shall be generated automatically and digitally signed with relevant details, immediately after completion of all tests.

- (v) the test data and report generated shall be kept in a safe and secured facility and uploaded on the electronic portal ;
 - (vi) Photographs of vehicle and its Chassis and Engine number shall be captured by Global Positioning System enabled camera and shall be kept in a secured facility and uploaded on the electronic portal along with the tests data and report.
- (7) The certificate of fitness, if granted, in Form 25 or Form 38, as the case maybe, and test report in form 69, so generated shall be sent to the registered owner or authorized signatory through physical and electronic mode and the test report shall include the following, namely : -

Station Name and registration number.

- (ii) date and time of the test ;

vehicle details - Registration number, Type, Make and Model ;

- (iv) visual check details ;
- (v) measured and permissible values of functional tests ;
- (vi) date of calibration of each equipment of the automated testing station on which tests are conducted.
- (v) measured and permissible values of functional tests ;
- (vi) date of calibration of each equipment of the automated testing station on which tests are conducted.
- (vii) list of functional tests or visual checks failed by the vehicle, incase certificate of fitness is not granted.
- (viii) The results shall also be integrated with VAHAN Data base.
- (ix) Not withstanding anything in the fourth proviso to sub-rule (1) of 62, the automated testing station may accept and the test the vehicle registered in any of the state or union territories.

182. Re-testing Procedure :

- (1) The registered owner of the vehicle that fails any or all of the required test (s), as specified in rule 189, shall be given an opportunity to apply for a re-test within thirty days of such result, after getting the defects specified in the test report of the initial inspection, rectified from a suitable workshop.
- (2) The registered owner or authorized signatory of the vehicle may opt for a re-test after depositing fee, as specified in rule 81 and such vehicle shall be re-tested only for the test(s) which it failed in the initial inspection, as specified in the test report.
- (3) Subject to rule 183, the vehicle that is not re-tested within the time specified in sub-rule (1) or fails such re-test shall be declared as End of Life Vehicle or unfit as the case may be.
- (4) Not withstanding anything contained in this rule, in the event of an order of the Appellate Authority to conduct a partial or complete re-test under sub-rule (2) of rule 184 of this chapter, the same shall be conducted accordingly.

183. Appeal against test results :

- (1) Any person aggrieved by the test result shall, within seven days of the date of receipt of such result, submit an appeal to the Appellate Authority in Form 68, through the electronic portal specified by the Central Government in this regard and such an appeal shall be accompanied by the fee as specified in rule 188 and a copy of the test result.
- (2) The Appellate Authority may order a partial or complete re-test of the vehicle, within fifteen working days of receipt of such appeal. Provided that where the Appellate Authority is not able to process the appeal within fifteen working days of its receipt, the appeal shall be deemed to have been allowed and the vehicle owner shall ensure the re-test of the vehicles is scheduled within thirty days.
- (3) Consequent to the vehicle passing such re-test, the Appellate Authority shall issue a certificate of fitness to such vehicle.
- (4) The decision of Appellate Authority shall be final and binding.

184. Audit and Assessment :

- (1) The performance and functioning of an automated testing station shall be monitored through periodic audits and assessment, at such intervals as specified in sub-rule (3).

- (2) The registering authority shall appoint National Accreditation Board for Testing and Calibration Laboratory a credited agency or any other agency notified by the Central Government for conducting such audits and assessments.
 - (3) The audit and assessment of an automated testing station shall be conducted every six months and the cost of such audit and assessment shall be borne by the operator of the testing stations and the operator shall upload the audit and assessment report on the electronic portal specified by the central Government within one month of the completion of the bi-annual financial year, that is by 31st October and 30th April of that financial year.
 - (4) The audit and assessment of Automated Testing Stations shall cover the following aspects, namely : -
 - (i) test equipment completeness.
 - (ii) equipment calibration at the required frequency at least once a year or as per manufacturer's recommendation, whichever is earlier;
 - (iii) testing procedures as specified under this chapter.
 - (iv) calibration process of machinery.
 - (v) manpower as per specified qualification under this chapter ;
 - (vi) sample check of at least three vehicles from each lane ;
 - (vii) data integrity ; and
 - (viii) functioning of all the Closed-Circuit Televisions installed in the station.
 - (5) The registering authority, under exceptional circumstances, which shall be adequately recorded, may also conduct surprise audits and assessments of an automated testing station and the cost of such audit and assessment shall be borne by the operator.
 - (6) The officials of the automated testing station shall be responsible for enabling and cooperating with the inspection at any point of time during office hours.
 - (7) The audit and assessment report, including surprise audit and assessment, as specified in Form 67, along with the photographic evidence, shall be uploaded on the electronic portal specified by the Central Government in this regard.
 - (8)
 - (i) Where any discrepancy pointed out during the audit and assessment, the same shall be rectified by the operator within ten working days from the date of issuance of the audit and assessment report.
 - (ii) The rectification report shall be submitted to the audit and assessment agency for approval, and to the registering authority for information, within such period as may be directed by the registering authority, through the electronic portal specified by the central Government.
 - (iii) The Audit and Assessment agency, if it so desires, may undertake re-audit and re-assessment for validation and approval.
185. **Power of registering authority to suspend or cancel the Registration Certificate or forfeit security deposit :**
- After giving the holder of a Registration Certificate an opportunity of being heard, if the registering authority is satisfied that he has : -
- (i) failed to comply with the requirements as laid down in rules 176 to 180 of this chapter; or
 - (ii) failed to observe correct standards of testing, as noticed at the time of audit and assessment ; or
 - (iii) failed to conduct timely audit and assessment ; or
 - (iv) Involved in any malpractice, it may, by order in writing to : -
 - (a) suspend the Registration Certificate for a specified period ; or
 - (b) cancel the Registration Certificate and order forfeiture of the security deposit and bank guarantee furnished by the automated testing station.
186. **Appeal :**
- Any person aggrieved by an order of the registering authority under sub-rule (9) of rule 175 or rule 185 of this chapter, may, within thirty days of the receipt of the order, appeal to any officer above the rank of registering authority, as appointed by the State or Union territory Government.
187. **Procedure for appeal :**
- (1) An appeal under rule 186 of this chapter shall be submitted in the form of a memorandum, setting forth the grounds of objections to the order of the registering authority.
 - (2) The appeal shall be submitted along with the requisite fee as specified in rule 190 of this chapter.
 - (3) The officer referred to in rule 186, after giving an opportunity to the parties to be heard and after such enquiry as he may deem necessary, pass reasoned orders within a period of forty-five days from the date of receipt of such an appeal.

188. **Fees-**

The fees charged under the provisions of this Chapter shall be as specified in the following table, namely : -

Table - C

| Sl. No. | Purpose | Amount | Rule |
|---------|--|-----------------------------|---------|
| 1 | 2 | 3 | 4 |
| 1. | Grant of Preliminary Registration Certificate for establishment of automated testing station | Ten Thousand rupees | 175 (3) |
| 2. | Grant or renewal of Registration Certificate for automated testing station | Fifty Thousand rupees | 175 (7) |
| 3. | Security Deposit/ bank guarantee for Registration Certificate for automated testing station | Five lakh rupees | 175 (7) |
| 4. | Issue of duplicate Preliminary Registration Certificate for automated testing station | Five Thousand rupees | 181 (5) |
| 5. | Issue of duplicate Registration Certificate for automated testing station | Twenty-Five Thousand rupees | 181 (5) |
| 6. | Appeal against test result (s) of automated testing station | Two Thousand rupees | 183 (2) |
| 7. | Appeal under rule188 of this chapter. | Thirty Thousand rupees | 188 (2) |

189. **Tests to be Conducted at Automated Testing Station :**

(1) The grant and renewal of certificate of fitness to the vehicles as per characteristics given in table-in sub-rule (7) of rule 190 shall be made at an automated testing Station only after carrying out the following checks and tests as specified in the table-D given below :-

Table - D

| Sl. No. | Item | Automated Test (Yes/No) | Check Fitment | Visual Check/ Functional Test | Reference Rules / Standards for more details | Notes for information |
|---------|-----------------------|-------------------------|---------------|-------------------------------|--|--|
| 1 | 2 | 3 | 4 | 5 | 6 | 7 |
| (1) | Head lamp dipped Beam | Yes | No | Functional | AIS-128 | Functional test requirements : Horizontal cut off of passing beam shall always be below head lamp centre line and the deviation shall be within 0.5% to 2.5%. |
| (2) | Head lamps Assembly | No | Yes | Visual | Rule 105 and AIS-008 or AIS-008 (Rev.1) And AIS-009 or AIS-009 (Rev.1) | Visual inspection parameters : (i) Bulb should be working ; (ii) Head lamp operating switch working ; (iii) No broken lens; (iv) Lens of the lamp should not be painted with colour OR pasted with sticker. (v) No moisture deposition on the inside surface of the lens. |

|------|---|-----|-----|-----------------------|---------------------------|---|
| | | | | | | (ii) In split type wind screen for vehicles other than three wheelers, wiper shall be operable for each wind-screen; Wiper shall be securely fitted. |
| (10) | Dashboard Equipment | No | Yes | Visual | AIS-071 (Part 1) | Visual inspection parameters : (i) Ensure secured mounting; (ii) Wiring shall be insulated; (iii) Dash board illumination shall be functioning; (iv) Warning lights for ABS, lights, brake system, battery charging, OBD or engine malfunction, fuel label, engine oil pressure, engine coolant temperature shall not remain illuminated. |
| (11) | Exhaust | | | | | |
| | (a) Exhaust gas emission - CO% | Yes | No | Functional | Rule 115 (2) (i) -TABLE | Applicable for Petrol/CNG/LPG driven vehicles. |
| | (b) Exhaust gas emission - HC (ppm) | Yes | No | | | |
| | (c) Exhaust gas emission (High idle emission) - CO% | Yes | No | | Rule 115(2) (i) - TABLE A | Applicable for Petrol driven vehicles manufactured as per Bharat Stage-IV Bharat Stage-VI Norms. |
| | (d) Exhaust gas emission (High idle emission) - Lambda | Yes | No | | | Applicable for Petrol/ CNG/LPG driven vehicles manufactured as per Bharat Stage-IV or Bharat Stage-VI Norms. |
| | (e) Smoke Density (Free Acceleration test applicable for Diesel vehicles) | Yes | No | Functional | Rule 115 (2) (ii) - TABLE | Applicable for Diesel Vehicles. |
| (12) | Braking System | | | | | |
| | (a) Service Brakes | Yes | No | Visual and Functional | AIS-128 | (I) Visual inspection parameters: (i) Fittings shall be secured; (ii) Brake hoses shall not be damaged or cracked ; (iii) No leakage of brake fluid. |

| 1 | 2 | 3 | 4 | 5 | 6 | 7 |
|------|--|-----|----|-----------------------|-----------------------|--|
| | | | | | | (II) Functional test requirements: Braking efficiency measured on roller brake tester should be at least 27.23%. |
| (13) | Steering Gear | Yes | No | Functional rule 98 | Functional rule 98 | Functional test requirements: Back-lash/Free play in steering gear shall not be more than 30 degrees. |
| (14) | Side Slip Test (This test applies to all categories of vehicles except 3-wheelers) | Yes | No | Functional | As per Specification. | |
| (15) | Suspension Test (Applicable for vehicles having GVW upto 3.5 ton excluding 3-wheelers) | Yes | No | Functional | - | Functional test requirements : No significant difference between suspension system efficiency of left and right side of vehicle. |
| (16) | Joint Play Test | Yes | No | Visual and Functional | - | Visual inspection parameters: (A) Suspension system: (i) Ensure secure detachment of springs and shock absorbers to chassis or axle; (ii) Springs shall not be damaged or fractured; (iii) Shock absorber dampers shall not have any oil leakage; (iv) Excessive wear shall not happen in swivel pin or bushes or at suspension joints; (v) In case of Air suspension, ensure no audible system leakage (B) Axle : (i) Secured fixing to the vehicle; (ii) Axle shall not be fractured or deformed; (iii) Excessive wear shall not happen in the swivel pin or bushes. |

The vehicle that fails any of the above test(s), except serial numbers 14, 15, 16, 17(a) and 39 as per Table-D (which are only for information purpose, informing about the health of the vehicle to the owner), shall be declared Unfit. The registered owner or authorized signatory of the vehicle shall have an opportunity to apply for a re-test within thirty days of such result, after getting the defect(s) specified in the test report of initial inspection, rectified. Such vehicle shall be re-tested only for the test(s) which it failed during initial inspection.

During the initial inspection, if the vehicle fails any of the test(s) as specified in serial number 1, 11, 12(a), 13, 17(b),31, 32, 34, 35, 37 and 38 of Table-D and is not re-tested within thirty days of such result, such vehicle shall be declared as End-of-Life Vehicle (ELV).

During re-test, if the vehicle passes all the test(s) failed in initial test, it will be declared Fit. However, as a result of the re-test, if the vehicle fails any of the tests as specified in serial number 1, 11, 12(a), 13, 17 (b), 31, 32, 34, 35, 37 and 38 of Table-D, as the case may be according to the type of the vehicle, such vehicle shall be declared as End-of- Life Vehicle (ELV). In case, during the re-test, a vehicle fails any test, except the tests specified in serial numbers 14, 15, 16, 17(a) and 39 of Table-D, such vehicle shall be declared as Unfit.

In case the retest (partial or complete test) is ordered by the Appellate Authority and

- (i) if the vehicle fails any of the test(s) as specified in serial number 1, 11, 12(a), 13, 17 (b), 31, 32, 34, 35, 37 and 38 of Table-D, such vehicle shall be declared as End-of-Life Vehicle (ELV).
- (ii) If the vehicle fails any of the test(s) other than those listed in (i) above and except serial numbers 14, 15, 16, 17(a) and 39 of Table-D (which are only for information purpose), such vehicle shall be declared as Unfit.
- (iii) If the vehicle passes all the tests (except serial numbers 14, 15, 16, 17(a) and 39 of Table-D, which are only for information purpose), such vehicle shall be declared as Fit.

Reference and Standards quoted against each item are indicative that the provisions exist in Central Motor Vehicles Rules, 1989 and concerned AIS/IS, except serial numbers 14, 15, 16,17(a) and 39 of Table-D, which are to inform the registered owner or authorised representative about the health of the vehicle. These are valid as on date and shall be applicable as amended from time to time.

Explanation : For removing any doubt, it is hereby clarified that the items viz., FASTag, Vehicle Location Tracking (VLT) Device, High Security Registration Plate (HSRP), Safety Belt (Seatbelt), Battery etc., which cannot be tested through the automated testing equipment as per column (3) of the table above, shall be tested in accordance with the applicable provisions of these rules.

190. **Equipment Specification for Automated Testing station :**

- (1) The equipment used at an automated testing station shall be capable of measuring maximum safe axle weight as notified under Section 58 of the Act.
- (2) The equipment shall be able to test all categories of vehicle under fitness regime.
- (3) The software of the equipment shall allow modification in the inspection system as required by the registering authority.
- (4) All equipments shall be able to operate in the following environmental conditions, namely-

(i) temperature range 0° to 55°

(ii) humidity up to 95%

dust : Typical Indian testing condition

The equipment used at an automated testing station shall comply with the following specification as given in the Table - F :

NOTIFICATION

The 15th March, 2024

No. DFCS-12012/5/2023.—The Governor of Arunachal Pradesh is pleased to accord fixation of rate of food grains (rice) under Welfare Institutions and Hostels Scheme. Since the scheme does not have any provision of financial assistance for Transportation and Handling Margin or Fair Price Shop (FPS) dealer's margin by the Government of India, the same shall be passed on to the end consumer. As such, the price of food grains (rice) under Welfare Institutions and Hostels Scheme shall be as per details shown below:-

All in ₹ /Kg

| Sl. No. | Name of Commodity | Central Issue Price | Whole sale Price* | Retail Price* | Remarks |
|---------|---------------------------------|---------------------|-------------------|---------------|-----------|
| 1. | Rice under Welfare | 5.65 | 9.00 | 11.00 | Soft Area |
| 2. | Institutions and Hostels Scheme | 5.65 | 11.50 | 13.50 | Hard Area |

* NB :- Further, where the doorstep delivery of food grains (rice) under the scheme can be made directly by the carriage contractors themselves to the institutions and is justifiably more convenient, the same arrangement shall be made, in which case the institution shall purchase rice at the fixed wholesale price.

The price notified herein shall be effective from 1st November, 2023.

This issues with the FD's concurrence vide U.O. No. Est-II-20/5/2024-ESTT-II-FPID, Computer No. 165340 dated 13th March, 2024 and approval of the Government vide Note # 98 dated 15th March, 2024.

4. The Commission have discretion to fix qualifying marks in any or the subjects of the examinations.

Syllabus:**I. Electrical Engineering****Part - I**

Basic concepts: Concepts of resistance, inductance, capacitance and various factors affecting them. Concepts of current, voltage, power, energy and their units.

Circuit law: Kirchhoffs law, Simple Circuit solution using network theorems.

Magnetic Circuit: Concepts of flux, mmf, reluctance, Different kinds of magnetic materials, Magnetic calculations for conductors of different configuration e.g. straight, circular, solenoidal, etc., Electromagnetic induction, self and mutual induction. AC.

Fundamentals: Instantaneous, peak, R.M.S. and average values of alternating wavers, Representation of sinusoidal wave form, simple series and parallel AC Circuits consisting of R.L. and Resonance, Tank Circuit.

Poly-Phase system - star and delta connection, 3 phase power, DC and sinusoidal response of R-Land R-C circuit.

Measurement and measuring instruments: Measurement of power (1 phase and 3 phase, both active and re-active) and energy, 2 wattmeter method of 3 phase power measurement, Measurement of frequency and phase angle. Ammeter and voltmeter (both moving oil and moving iron type), extension of range wattmeter, Multimate's, Megger, Energy meter AC Bridges. CT, PT and their uses. Earth Fault detection.

Electrical Machines:

- (a) **D.C. Machine:** Construction, Basic Principles of D.C. motors and generators, their characteristics, speed control and starting of D.C. Motors. Losses and efficiency of D.C. Machines.
- (b) **1-phase transformer:** Construction, Principles of operation, equivalent circuit, voltage regulation, O.C. and S.C. Tests, Losses and efficiency. Effect of voltage, frequency and wave form on losses. Parallel operation of 1-phase transformers, Introduction to poly-phase transformer. Auto transformers.
- (c) **3-Phase induction motors:** Rotating magnetic field, the principle of operation, equivalent circuit, torque-speed characteristics, starting and speed control of 3-phase induction motors.
- (d) **Single Phase Induction Motors:** Operation, classification, characteristic and applications.
- (e) **Synchronous Machines:** Generation of 3-phase e.m.f. armature reaction, voltage regulation, parallel operation of two alternators and synchronizing. Starting and applications of synchronous motors.

Part - II

Generation, Transmission and Distribution: Different types of power stations, load factor, diversity factor, demand factor, cost of generation, inter-connection of power stations. Power factor improvement, various types of tariffs types of faults, short circuit current for symmetrical faults. Switchgears-rating of circuit breakers, Principles of arc extinction by oil and air, H.R.C. Fuses, Protection against earth leakage/over current. Lightning arresters, various transmission and distribution system, comparison of conductor materials, efficiency of different system. Cable-Different type of cables, cable rating and dating factor.

Estimation and costing: Estimation of lighting scheme, electric installation of machines and relevant IE rules. Earthing practices and IE Rules.

Utilization of Electrical Energy: Illumination, Electric, heating, Electric welding, Electroplating.

Basic Electronic: Working of various electronic device e.g. PN Junction diodes, Transistors (NPN and PNP type), BJT and SCR. Simple circuits using these devices. Brief idea about universal logic gates".

Except the content of Examination Scheme and Electrical Engineering Syllabus of the Annexure "A" as amended/corrected in this corrigendum and all other terms and conditions of the Annexure 'A' of the Junior Engineer (Power) Recruitment Rule 2023, shall remain same.

CORRIGENDUM

The 30th November, 2024

No. SUDH-11/4/2023-US-UDH/638.—**WHEREAS**, Shri Hano Takka, Joint Director, Information Technology and Communication (IT and C) drawing the substantive scale of pay Level -12 at Pay Matrix of ₹ 78,800-2,09,200 pm. was posted as Director Urban Local Bodies (ULBS) vide Order No. SUDH- 11/4/2023-US-UDH-UDH dated 28th February, 2023 in the scale of Pay Level - 13 of Pay Matrix of ₹ 1,23,100-2, 15,900 pm.

AND WHEREAS, in pursuance of the aforesaid Order dated 28th February, 2023 Shri Hano Takka submitted his joining report to the Commissioner (ULBs) vide his joining letter dated 6th March, 2023.

AND WHEREAS, it has been clarified by the Personnel Department that as such no post of Director (ULB) was ever created and accordingly no such post exist. The Personnel Department has further clarified that the earlier postings of APCS cadre officers as Director (ULB) were administrative arrangements and the APCS being an organized service with specific cadre strength there was no issue in releasing the pay of the APCS officers, in their own substantive pay scales, while they were posted as Director – ULB.

AND WHEREAS, in absence of any post of Director, ULB, the salary of Shri Hano Takka could not be drawn against the said post and resultantly he is not getting any salary since his joining as Director (ULB).

AND WHEREAS, in absence of any such post the posting of Shri Hano Takka, as Director (ULB) is clearly an administrative arrangement in the nature of diverted capacity and it cannot be interpreted or construed as promotion/deputation/absorption etc. Since the post of Director (ULB) never ever created/existed, the process of Departmental Promotion Committee (DPC)/Selection Committee was also not followed at the time of posting of Shri Hano Takka.

AND WHEREAS, in case of such administrative arrangement within the same Government, on transfer from one Department to another Department, the officer cannot be allowed to draw the pay in higher pay scale. He can draw the pay in his own pay scale, either from the same post or from the other post, as the case may be.

AND WHEREAS, the parent cadre of Shri Hano Takka remains the same i.e. IT and C and his substantive post remains the same i.e. Joint Director IT and C. Hence the officer should have been allowed to continue drawing his pay in his own pay scale, from the parent department against his substantive post while working as Director-ULB in diverted capacity.

AND WHEREAS, the present status of Shri Hano Takka continues to be Joint Director IT and C presently working as Director (ULB), in diverted capacity.

AND WHEREAS, on account of non existence of the post of Director (ULB), the initial order dated 28th February, 2023 was irregular to the extent that salary could not be drawn against the post of Director (ULB) and that too in a higher pay scale.

NOW THEREFORE, in partial modification of the earlier order dated 28th February, 2023, the appointment of Shri Hano Takka, Joint Director IIT and C) as Director (ULB) would be construed as a posting in diverted capacity. He shall continue to draw his salary in his own substantive pay scale from his parent department IT and C while holding the position of Director ULB in diverted capacity. Further Shri Hano Takka may continue to hold lien and seniority in the cadre of Joint Director (IT and C) for all purposes.

This corrigendum is issued in consultation with Personnel Department and with the approval of the competent authority.

Manish Kumar Gupta, IAS
Chief Secretary,
Government of Arunachal Pradesh,
Itanagar.
